TRANSPORTATION PERMISSION SLIP

Dear Parent:

Your student has the opportunity to participate in an activity for which the Bellevue School District **IS NOT** furnishing transportation. If you cannot drive your student to/from this activity, transportation will be provided by private automobile driven by an Interlake School staff member or parent volunteer. Please complete and return the following permission slip. **YOUR STUDENT MUST HAVE A SIGNED PERMISSION SLIP TO BE OFFERED TRANSPORTATION.**

.....

TRANSPORTATION PERMISSION SLIP

I give permission for my student, _____, to be transported to and from _____ on _____ to attend _____

I am aware that transportation will be provided by private automobile driven by an Interlake School staff member or parent volunteer. The driver will have a valid Washington State driver's license and have a minimum of \$100,000/\$300,000 bodily injury liability and \$100,000 property damage or \$300,000 combined single limit auto insurance for his/her personal vehicle which will be used on this field trip. Since private transportation will be used, the Bellevue School District's vehicle liability will be secondary to that maintained for the privately owned vehicle.
